

Curriculum vitae

Name: Lajos Michl

Personal data:

Date of birth: 1968
Home address: 6726 Szeged, Erdélyi tér 7.
Phone: 70/220-1534
E-mail: lajos.michl@gmail.com

Educational attainment:

1990: Programmer mathematician
József Attila University, Szeged
1993: Folk art teacher (*postgraduate*)

Other qualifications:

Category A and B driver's license

Language skills:

English and German (basic, technical text)

Computer skills:

Operating systems: Linux, MS Windows, NetWare
Database: PostgreSQL, MySQL, MS SQL, Oracle, Sybase, Clipper/FoxPro
Programming languages: Java, PHP, Perl, C, Pascal, Clipper/FoxPro, PL/1, Rexx, Fortran
Version controls: Mercurial, Git, SVN
Build systems: Maven, Ant, Gradle
Office programs: LibreOffice, Microsoft Office, WordPerfect

Career:

2023: netrisk.hu

Participation in PHP backend development of the company's systems (PHP 5-8, MySQL).

2023 : RabIT Solutions Zrt.

As a software developer, Java (SpringBoot) and PHP (Laravel) backend, and some Angular and Vue frontend developments.

2015 - 2023 : Scriptum Informatika Zrt.

Development in Java in the Spring/SpringBoot environment. Documentation, test coverage, and code smell were both natural and expected. On a daily basis, I used databases (Oracle, PostgreSQL, and H2 for tests), version controls (Mercurial, Git), build systems (Maven, Gradle), automated testing (Jenkins), project management tools (YouTrack), etc.

2011 - 2015 : IKV ZRT

I was primarily an IT manager, but I also carried out developments (Java, C, FoxPro, etc.).

2008 - 2011 : RITEK ZRT

I worked as a developer. I mainly developed Java services (ESB too), but I also worked on PHP programs, created desktop applications and made a Linux-based unique system (school lunch system).

Hobbies:

Music, biology, sci-fi, cycling, retro computers.

Szeged, June 27, 2023.
